## **ABOUT RAMA GROUP**

Rama Group was established in the year 1995. Rama Group of institutions is the result of commitment and strong dedication of its founder **Dr. B. S. Kushwah**, Chairman. Under the dynamic and able leadership of **Dr. Suraj Singh**, and **Dr Anu Kushwah**, Additional Directors of Rama Group, the institution is striving towards excellence. The Group is well-established entity with significant presence in the core sector areas of Education, Healthcare, Construction, and Consultancy. Demonstrating the remarkable growth since beginning, it has now become one of the prestigious groups devoted to equipping thousands of young aspirants in the diversified fields of education. The institutes presently thriving under Rama Group are:

1. RAMA DENTAL COLLEGE, KANPUR
2. RAMA MEDICAL COLLEGE, KANPUR
3. RAMA MEDICAL COLLEGE, GAZIABAD
4. RAMA COLLEGE OF NURSING & PARA MEDICAL SCIENCES, KANPUR
5. RAMA INSTITUTE OF ENGINEERING & TECHNOLOGY, KANPUR
6. RAMA INSTITUTE OF TECHNOLOGY, KANPUR

## **RIET**

With the vision to develop professionals with broad perspective and specialized skills along with greater sense of responsibility towards society and nation, Rama Institute of Engineering & Technology took roots in 2007. For its ceaseless efforts in disseminating and imparting professional education, RIET is now one of the leading institutes of North India. It is a bright star in the galaxy of educational institutions run under the Rama Group of Institutions, Kanpur. The institute is affiliated to GBTU, Lucknow. With its rich heritage of academic excellence the college has dwelled emphatically in imparting quality based education to prepare engineers and managers to face the challenges of the world with

greater strength and aplomb and to bring out the best of their talents so as to enrich their all round personality development in 21<sup>st</sup> century.

Rama campus (Mandhana, Kanpur) is spread over a sprawling 150 acres of land on the national highway and is architecturally planned with state-of-the-art infrastructure and facilities to provide a perfect learning environment to students.

## **ABOUT KANPUR CITY**

Nestled on the banks of the eternal Ganga, Kanpur stands as one of North India's major industrial centre with its own historical, religious and commercial importance. Believed to be founded by King Hindu Singh of the erstwhile state of Sachendi, Kanpur was originally known as "Kanhiyapur". Historically, Jajmau on the eastern outskirts of present day Kanpur is regarded as one of the most archaic townships of Kanpur district. One time called Manchester of India, it still has many places of interest: Kanpur Memorial Church (All Soul's Cathedral), Mound of Jajmau, Bithoor, Shri Radhakrishna Temple (J.K. Temple), Jain Glass Temple, Allen Forest Zoo, Kamla Retreat, Phool Bagh, Nana Rao Park, Moti Jheel, Agricultural Gardens, Green Park Stadium to name few.

## **THE SYMPOSIUM**

The changing scenario of information technology, business, socio-political-economical environment, ecological environment and working culture across the organizations demands the various sectors to pay special attention to existing engineering and management practices through value addition, value creation and innovation. Industries have to adopt feasible strategies that incorporate the best global practices and simultaneously cultivate the individual and corporate goals. Organizations have to rethink, redesign, and reconsider their prevailing policies, practices, procedures, and systems for sustainable growth.

All aspects of engineering and management leading to sustainable development can be covered for contribution in the Symposium keeping in view the human, environmental and economical factors in mind.

## **OBJECTIVES**

1. Provide a platform for rich interactions, mutual learning and networking.
2. Understanding the Framework of Future Technologies and Management Practices for Sustainable Development.

## **SUB-THEMES**

1. Knowledge Creation, value Creation and innovation as a means of Value Addition.
